Dear Commissioner:

Applicant timely filed a Nonpublication Request Under 35 U.S.C. 122(b)(2)(B)(i) on December 17, 2003, at the same time as and accompanying the application papers for the above-identified application.

Applicant submits herewith a true copy of the Nonpublication Request dated December 17, 2003, as well as a true copy of the date-stamped postcard receipt indicating that the Nonpublication Request was filed along with the other application papers on

Serial No. 10/736,586

December 17, 2003, as evidenced by the hand-stamped OIPE date stamp.

Applicant has now learned that the Patent Office published Applicant's application no. 10/736,586 as Publication No. US-2004-0261306-A1 on the official Patent Office website as of December 30, 2004.

This publication on the official website was against Applicant's explicit and timely filed request.

Accordingly, Applicant hereby requests that the Commissioner delete all reference to that Publication No. 2004-0261306-A1 in the official database.

Still further, Applicant respectfully requests that the \$300.00 publication fee which has been assessed against Applicant's application be refunded.

This request is timely because the \$300.00 publication fee was paid today with the separately filed payment of the Issue Fee.

Undersigned counsel discussed this matter with Robert Clark on January 28, 2005. Mr. Clark indicated that Applicant should file this Petition Under 37 C.F.R. 1.181 in order to request a credit of the \$300.00 publication fee by the filing of this Petition Under 37 C.F.R. 1.181.

Mr. Clark likewise confirmed that no Petition fee was due,

Serial No. 10/736/586

as this matter had been filed under Rule 181. This is consistent with the Rules.

Accordingly, no fee is believed to be due and no fee has been submitted with this paper.

In sum, please refund the \$300.00 publication fee to our Deposit Account No. 19-2105.

Should any outstanding formal matters or other issues remain, Patent Office officials are requested to telephone Terrence Brown at 703-684-5600 to resolve such.

Respectfully submitted,

Date:
